

Southern Comforters Block of the Month
February 2007
Off Center Heart

This month has two choices for blocks. This one is an appliquéd heart and the other is a pieced heart. You may make one of each (for two entries) or choose either to make one entry.

Fabric: Choose a light, solid colored background and a bold, crayon color for the heart.

Fabric A:

- Cut an 13 ½” square

Fabric B:

- Add ¼” to the heart template and cut out.

Step 1: Using your choice of appliqué methods, place the heart in the center of the background square and appliqué.

Step 2: Press block and square up to 12 ½” square.
