

February 08 BOM

Ohio Star Variation

CORRECTED VERSION

I thought we needed to do a block with a new unit in it. None of the previous blocks have had a quarter square triangle in them, so we are going to do one this month. We will be making this one 12" finished.

You will need small amounts of 5 different fabrics...these may be prints or tone-on-tones: a medium red, a medium blue, a medium green, a dark green and a white or white print. Think Crayon colors!

You need to cut as follows:

1. White: cut one 5-1/2" square
2. Red: cut one 4-1/2" square; cut one 5-1/2" square
3. Blue: cut two 5" squares
4. Green: cut two 5-1/2" squares
5. Dark Green: cut two 5" squares

Sewing Instructions:

1. Mark diagonal on wrong side of blue 5" squares; match right sides together with dark green 5" squares; stitch 1/4" on either side of diagonal; cut apart on diagonal and press seams toward blue fabric. *** Square up to 4-1/2". ***

2. Mark diagonal on wrong side of medium green 5-1/2" squares; match right sides together with white and red squares of same size; stitch 1/4" on either side of diagonal; cut apart on diagonal and press seams toward green fabric. (See diagram from step#1).
3. Mark new diagonal on wrong side of white/green HSTs from step#2, match right sides together of a white/green HST and a red/green HST from step#2 - seams should touch each other; stitch 1/4" on either side of new diagonal just drawn; cut apart on diagonal and press seams toward red/green fabric. *** Square up to 4-1/2" ***

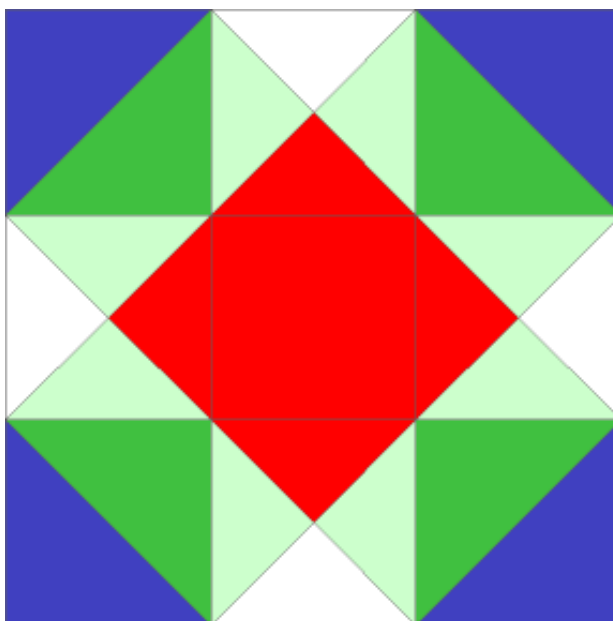

4. Attach unit from step#1 to either side of unit from step#3 as shown - create 2 rows. Press seams toward corner units.

5. Attach remaining units from step#3 to either side of red 4-1/2" square as shown. Press seams toward red square.

6. Attach row from step#4 to either side of row from step#5 as shown in finished unit below. Press seams toward center row.
